

Discussion Questions: Role Alike Groups

What do you think are some aims or motivations for partnering with others around NGSS that *you* have? (Goals)

What do you think are some aims or motivations for partnering with others around NGSS that participants in the *other* role-alike groups have? (Goals)

What do *you* think are **the biggest challenges** to implementing the shifts that members of your group could help with? (Problems)

What do you think participants in the *other* role-alike groups perceive as **the biggest challenges** to implementing the shifts that members of your group could help with? (Problems)

What do you think are some **common values** that are a resource for partnership across the groups? (Values)

RESEARCH + PRACTICE
COLLABORATORY

What aspects of the other two groups' work (and workplaces) do you wish you could understand better? (Developing Empathy)
